Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to estop or otherwise preclude the Association from thereafter again foreclosing or attempting to foreclose its lien for any subsequent Assessment, charge or fee, or installment thereof, which is not fully paid when due.

The Association shall have the power and right to bid on or purchase any Parcel at foreclosure or other legal sale, and to acquire and hold, lease, mortgage, vote the Association votes appurtenant to ownership thereof, convey or otherwise deal with same. A lien for an unpaid Assessment is extinguished unless proceedings to enforce the lien are instituted within six (6) years after the full amount of Assessments becomes due, except that if an Owner of a Parcel subject to a lien under this section filed a petition for relief under the United States Bankruptcy Code, the time period for instituting proceedings to enforce the Association's lien shall be tolled to ninety (90) days after the automatic stay of proceedings under §362 of the Bankruptcy Code is lifted. In any action by the Association to collect Assessments or to foreclose a lien for unpaid Assessments, the court may appoint a receiver for the Parcel to collect all sums alleged to be due from the Parcel Owner or a tenant of the Parcel Owner prior to or during the pendency of the action. The court may order the receiver to pay any sums held by the receiver to the Association during the pendency of the action to the extent of the Association's Assessments, based on a periodic budget adopted by the Association.

7.9 Subordination of Lien to Security Interests. A lien under this section is prior to all other liens and encumbrances on a Parcel except:

- (l) Liens and encumbrances recorded before the recordation of this Declaration;
- (m) A First Security Interest on the Parcel recorded before the date on which the Assessment sought to be enforced became delinquent; and
- (n) Liens for real estate taxes and other governmental assessments or charges against the Parcel.

A lien under this section is also prior to all Security Interests to the extent that the Assessments are based on the periodic budget adopted by the Association and which would have

become due, in the absence of acceleration, during the six (6) months immediately preceding institution of an action to enforce either the Association's lien or a Security Interest, and statutory liens recognized under Colorado law. If a holder of a First Security Interest in a Parcel forecloses that Security Interest, the Purchaser at the foreclosure sale is not liable for any unpaid Assessments against the Parcel which became due before the sale, other than the Assessments which are prior to the Security Interest under this section of the Declaration. Any unpaid Assessments not satisfied from the proceeds of sale become Common Expenses collectible from all Parcel Owners, including the Purchaser. Sale or transfer of any Parcel shall not affect the lien for said Assessment charges except that a sale or transfer of any Parcel pursuant to foreclosure of any First Security Interest, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture of any such executory land sales contracts shall only extinguish the lien of Assessment charges which become due more than six (6) months immediately preceding institution of an action to enforce either the Association's lien or a Security Interest, and statutory liens recognized under Colorado law. No such sale, transfer, foreclosure or other proceeding in lieu thereof, including deed in lieu of foreclosure, shall relieve any Parcel from liability for any Assessment charges thereafter becoming due, nor from the lien thereof. This section does not affect the priority of mechanics' or materialmen's liens.

7.10 Record of Receipts and Expenditures. The Association shall keep detailed and accurate records in chronological order of all of its receipts and expenditures, specifying and itemizing the maintenance and repair of expenses of the Common Elements and any other expenses incurred. Such records and the vouchers authorizing the payments shall be available on request for examination by the Parcel Owners and others with an interest, such as prospective lenders.

7.11 Notice to Security Interest. Upon the request of a holder of a First Security Interest on a Parcel, and upon payment of reasonable compensation therefor, the Association shall report to such party any unpaid Assessment or other defaults under the terms of this Declaration which are not cured by the Parcel Owner within thirty (30) days.

7.12 Certificate of Status of Assessments. The Association, upon written request to the Association's registered agent, personally delivered or delivered by certified mail, first class postage prepaid, return receipt requested, and upon payment of a reasonable fee, but in no event less than Fifty Dollars (\$50.00), shall furnish to a Parcel Owner or such Parcel Owner's designee or to a holder of a Security Interest or its designee, a statement, in recordable form, setting out the amount of the unpaid Assessments against the Parcel. The statement must be furnished within fourteen (14) business days after receipt of the request and is binding on the Association, the Executive Board and each Parcel Owner. A properly executed certificate of the Association as to the status of Assessments on a Parcel is binding upon the Association as of the date of its issuance. Omission or failure to fix an Assessment or deliver or mail a statement for any period shall not be deemed a waiver, modification or release of a Parcel Owner from his or her obligation to pay the same.

7.13 Homestead. The lien of the Association Assessments shall be superior to any homestead exemption as is now or may hereafter be provided by Colorado or federal law. The acceptance of a deed to land subject to this Declaration shall constitute a waiver of the homestead exemption as against said lien.

7.14 Common Expenses Attributable to Fewer than ALL Parcels.

7.14.1 An Assessment to pay a judgment against the Association may be made only against the Parcels in the Common Interest Community at the time the judgment was entered, in proportion to their Common Expense Liabilities.

7.14.2 If a Common Expense is caused by the misconduct of a Parcel Owner, the Association may assess that expense exclusively against that Parcel Owner's Parcel as more fully provided in Section 5.5 above.

7.14.3 Fees, charges, taxes, impositions, late charges, Fines, collection costs and interest charges against a Parcel Owner pursuant to the Documents and the Act are enforceable as Common Expense Assessments.

ARTICLE VIII INDEMNIFICATION

To the full extent permitted by law, each officer and member of the Executive Board of the Association shall be and is hereby indemnified by the Parcel Owners and the Association against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed upon him or her in any proceeding to which he or she may be a party, or in which he or she may become involved, by reason of his or her being or having been an officer or member of the Executive Board of the Association, or any settlement thereof, whether or not he or she is an officer or a member of the Executive Board of the Association at the time such expenses are incurred, except in such cases where such officer or member of the Executive Board is adjudged guilty of willful misfeasance or malfeasance in the performance of his or her duties; provided that in the event of a settlement, the indemnification shall apply only when the Executive Board approves such settlement and reimbursement as being in the best interests of the Association.

ARTICLE IX. SPECIAL DECLARANT RIGHTS AND ADDITIONAL RESERVED RIGHTS

9.1 Special Declarant Rights. The Declarant hereby expressly reserves the right, for a period of one (1) year following the recordation of this Declaration in the office of the Clerk and Recorder of Larimer County, Colorado, to perform the acts and exercise the rights hereinafter specified ("Special Declarant Rights"). The Special Declarant Rights include the following:

(a) Control of Association and Executive Board. The right to remove any officer or member of the Executive Board.

(b) Completion of Improvements. The right to complete improvements.

(c) Construction and Access Easements. The right to use easements through the Common Elements for the purpose of making improvements and to provide access. The right to construct and complete the construction of Parcels, utilities, entrance signage, buildings, streets and roads and all other improvements on the property, and to repair and maintain the Common Elements.

9.2 Additional Reserved Rights. In addition to the Special Declarant Rights set forth in Section 10.1 above, the Declarant also reserves the following additional rights ("Additional Reserved Rights"):

(a) Dedications. The right to establish, from time to time, on properties owned by the Declarant, by dedication or otherwise, utility easements, recreation easements and easements for pedestrian, equestrian, vehicular access, snow fences (including living), and to create other reservations, exceptions and exclusions for the benefit of and to serve the Parcel Owners within the Common Interest Community.

(b) Use Agreements. Since the roads are newly constructed and weather patterns and their effects will not be known for several years, Declarant specifically reserves the right at its expense to install snow fencing, including trees and shrubs, if snow drifting can be controlled with such usage. After installation, the maintenance thereof shall be an expense of the Association.

Also, erosion may occur and the Association will have the right to take soil and other materials from areas adjacent to the existing roads as needed to repair the damaged road. Such materials shall not be taken so as to interfere with established access from the road to the improvements installed on the Parcel.

(c) Amendment. The right to amend any of the terms and provisions of this Declaration and to add terms and provisions to this Declaration if such amendments and additions are deemed appropriate by the Architectural Control Committee.

(d) Colorado Common Interest Ownership Act. The right to amend this Declaration to comply with the requirements of the Colorado Common Interest Ownership Act in the event any provision contained herein does not so comply with the Act.

(e) Other Rights. (i) The right to exercise any Additional Reserved Right created by any other provision of this Declaration; (ii) The right to enter into a livestock grazing lease so as to protect the agricultural classification for tax purposes..

9.3 Rights Transferable. Any Special Declarant Right or Additional Reserved Right created or reserved under this Article for the benefit of the Declarant may be transferred to any Person by an instrument describing the rights transferred and recorded in Larimer County, Colorado. Such instrument shall be executed by the Transferor Declarant and the transferee.

ARTICLE X. ARCHITECTURAL CONTROL

10.1 Architectural Control Committee.

10.1.1 Membership. Subject to any limitations of §303 of the Act, as long as the Declarant is the owner of one (1) or more Parcels, the Declarant shall appoint the members of the Architectural Control Committee. At such time as the Declarant is no longer the owner of one (1) or more Parcels within the Common Interest Community, then the members of the Architectural Control Committee shall be appointed by the Executive Board from among the members of the Association.

10.1.2 Term. Each member of the Architectural Control Committee shall serve at the pleasure of the Persons or entity appointing such member. In the event of the death or resignation of any member of the Architectural Control Committee, the Persons or entity that appointed such member shall appoint a successor.

10.1.3 Decisions. All decisions of the Architectural Control Committee shall be by a majority vote of those members of the Architectural Control Committee present at a meeting at which a quorum is present. A majority of the members of the Architectural Control Committee shall constitute a quorum.

10.1.4 Compensation. The members of the Architectural Control Committee shall not be entitled to any compensation for services performed pursuant to this Declaration.

10.1.5 Delegation. The Architectural Control Committee shall have the power to delegate the responsibility for reviewing any application submitted to the Architectural Control Committee to a professional architect, landscape architect, engineer, or other professional person who is qualified to review the issues raised in the application. The Architectural Control Committee shall also have the power to require that the applicant pay the fees reasonably incurred by the Architectural Control Committee in retaining such professional to review the application submitted.

10.1.6 Non-liability. No member of the Architectural Control Committee shall be liable to the Association or to any Owner or Member for any loss, damage, or injury arising out of or in connection with the performance of the duties of the Architectural Control Committee under this Declaration, unless such action constitutes willful misconduct or bad faith on the part of the Architectural Control Committee. Review and consideration of any application submitted to the Architectural Control Committee shall be pursuant to this Declaration, and any approval granted shall not be considered approval of the structural safety or integrity of the improvements to be

constructed or conformance of such improvements with building codes, zoning resolutions, subdivision regulations, or other governmental rules and regulations applicable to the Common Interest Community.

10.2 Control. No construction, alteration, addition, modification or reconstruction of any building, fence, wall, structure, or other improvement within the Common Interest Community shall be commenced or maintained until the plans and specifications thereof shall have been approved by the Architectural Control Committee.

10.3 Purpose. The Architectural Control Committee is established for the purpose of maintaining within the Common Interest Community a consistent and harmonious general character of development and a style and nature of building, design and individual appeal consistent with the natural beauty and features of the Common Interest Community.

10.4 Submission. The Architectural Control Committee may require that each application for approval submit the plans and specifications for any improvement to be constructed on said Parcel

10.5 Rules and Guidelines. The Architectural Control Committee may issue rules setting forth procedures for the submission of plans for approval and may also issue guidelines setting forth the criteria that the Architectural Control Committee will use in considering plans submitted to it for approval.

10.6 Review of Plans and Specifications. The Architectural Control Committee shall consider and act upon any and all requests submitted for its approval. The Architectural Control Committee shall approve plans and specifications submitted to it only if it determines that the construction, alteration, and additions contemplated thereby, and in the location as indicated, will comply with this Declaration. Should the Architectural Control Committee fail to approve or disapprove the plans and specifications submitted to it by an Owner of a Parcel within thirty (30) days after complete submission of all required documents, the plans shall be resubmitted to the Architectural Control Committee by certified mail, return receipt requested, and, in the event that the Architectural Control Committee fails to approve or disapprove any plans and specifications as herein provided within thirty (30) days after such resubmission to the Architectural Control Committee and Declarant by certified mail, the same shall be deemed to have been approved, as submitted, and no further action shall be required, provided, however, that no building or other structure shall be erected or allowed to remain on any Parcel which violates or is inconsistent with any of the covenants or restrictions contained in this Declaration. The issuance of a building permit or license for the construction of improvements inconsistent with this Declaration shall not prevent the Association or any Owner from enforcing the provisions of this Declaration.

10.7 No Waiver of Future Approval. The approval by the Architectural Control Committee of any proposals or plans and specifications for any work to be done on a Parcel shall not be deemed to constitute a waiver of any right to withhold approval or consent to any similar proposals, plans, specifications, drawings, or other matters subsequently or additionally submitted for approval by the same owner or by another owner.

10.8 Variances. The Architectural Control Committee may authorize variances from compliance with any provisions of this Declaration, including restrictions upon height, size, floor area, or placement of structures or similar restrictions, when circumstances such as topography, natural obstructions, hardships, aesthetics, or environmental considerations may require. Such variances must be evidenced in writing and shall become effective when signed by at least a majority of the members of the Architectural Control Committee. If any such variance is granted, no violation of the provisions of this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted; provided, however, that the granting of the variance shall not operate to waive any of the provisions of this Declaration for any purpose except as to the particular property and the particular provision hereof covered by the variance, nor shall the granting of a variance affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the property concerned, including, but not limited to, zoning ordinances and setback lines or requirements imposed by any governmental authority having jurisdiction.

10.9 Temporary Structures. No structures of a temporary character which are visible from other Parcels or from a public road, including, by example and not limitation, trailers, mobile homes, converted trailers, recreational vehicles, campers or tents shall be used on any Parcel for residential purposes for more than fourteen (14) days in each calendar year. It is the express intent that any such temporary structures may only be occupied on a temporary basis and are not intended to be occupied on a full-time or permanent basis.

This provision may be waived by the Architectural Control Committee if such structure is being utilized to facilitate construction of any approved building or structure.

10.10 Dwelling Unit Size and Height Limitation. No Dwelling Unit shall be erected, altered or permitted to remain on any Parcel unless the ground floor area thereof, exclusive of basements, open porches, and garages, is not less than twelve hundred (1200) square feet. The Architectural Control Committee shall establish the height limitation for the Dwelling Unit upon each Parcel on a case-by-case basis in order to take into consideration geologic, topographic and natural features, as well as view obstructions from adjacent Parcels.

10.11 Building Setbacks. All structures, except fences, must be set back from all property lines as required by Larimer County, Colorado.

10.12 Fences. Any unit may be fenced at the expense of the Owner. The design, installation and maintenance of any fence shall be subject to the control of the Architectural Control Committee. Bottom strands of wire will normally be required to be at least eighteen (18) inches above the surface.

If a fence is installed on an interior shared line, the new Parcel owner will reimburse the other owner for the reasonable cost thereof. In case of dispute, the Architectural Control Committee will make a binding determination of such amount.

The access from the community road shall be subject to the approval of the Architectural Control Committee.

10.13 Maintenance of Parcels and Improvements. Each owner shall keep or cause to be kept all buildings, fences, and other structures located on his or her Parcel in good repair. Rubbish, refuse, garbage and other solid, semi-solid and liquid waste shall be kept within sealed containers, shall not be allowed to accumulate on any Parcel, and shall be disposed of in a sanitary manner. No Parcel shall be used or maintained as a dumping ground for such materials. All containers shall be kept in a neat, clean and sanitary condition, and shall be stored in an approved structure. No trash, litter or junk shall be permitted to remain exposed upon any Parcel and visible from public roads or other Parcels. Burning of trash on any Parcel shall be prohibited. No lumber or other building materials shall be stored or permitted to remain on any Parcel unless screened from view from other Parcels and from public roads, except for reasonable storage during construction.

10.14 Nuisance. Nothing shall be done or permitted on any Parcel which is or may become a nuisance. No obnoxious or offensive activities shall be conducted on any Parcel. Recreational use of all-terrain vehicles, motorcycles, snowmobiles and similar vehicles or equipment on a Parcel shall be kept to a minimum.

10.15 Damage or Destruction of Improvements. In the event any Dwelling Unit or other structure constructed on a Parcel is damaged, either in whole or in part, by fire or other casualty, said Dwelling Unit or other structure shall be promptly rebuilt or remodeled to comply with this Declaration; or in the alternative, if the Dwelling Unit or other structure is not to be rebuilt, all remaining portions of the damaged structure, including the foundation and all debris, shall be promptly removed from the Parcel, and the Parcel shall be restored to its natural condition existing prior to the construction of the Dwelling Unit or other structure.

10.16 Storage Tanks and Containers. No elevated tanks of any kind shall be erected, placed, or permitted to remain on any Parcel unless such tanks are screened from view from other Parcels and from public roads by fencing or landscaping in a manner approved by the Architectural Control Committee or by the use of existing vegetation.

10.17 Signs. Any signs to be displayed on a parcel must meet County guidelines. The Association reserves the right to place permanent signs at the entrance to the Property identifying the development, and such other signs for Association purposes as required, such as for traffic control and a directory.

10.18 Discharge of Weapons. The discharge of firearms or weapons shall comply with all County and other governmental requirements.

10.19 Disturbing the Peace. No person shall disturb, tend to disturb, or aid in disturbing the peace of others by violent, tumultuous, offensive, disorderly, or obstreperous conduct, and no Owner shall knowingly permit such conduct upon any Parcel owned by such Owner.

10.20 Use of Roads. The Association shall establish speed limits for the operation of vehicles on the roads. It is contemplated that the maximum allowable speed will be 25 miles per hour. The usual rules and customs for the use of the roads shall be followed by all Parcel Owners, family members, guests and invitees.

10.21 Zoning Regulation. No Tract shall be occupied or used by or for any structure or purpose which is in violation of the building codes, zoning resolutions, subdivision regulations or other governmental rules and regulations applicable to the Common Interest Community, including the zoning regulations of Larimer County, Colorado. Such governmental restrictions on the use and construction and erection of improvements upon the Property may be more restrictive than those set forth in this Declaration and the Declarant makes no representations that approval of any use or structure by the Architectural Control Committee shall be deemed approval by the appropriate governmental authority.

10.22 General Prohibition. No use shall be made of an Owner's Parcel which will in any manner violate the statutes or rules and regulations of any governmental authority having jurisdiction over the use of said Owner's Parcel, notwithstanding any provision of this Declaration to the contrary.

ARTICLE XI. CONDEMNATION

If, at any time, all or any part of the Recreational Easements shall be taken or condemned by any public authority or sold or otherwise disposed of in lieu of or in avoidance thereof, the following provisions of this Article shall apply:

(a) Proceeds. All compensation, damages or other proceeds therefrom, the sum of which is hereinafter called "Condemnation Award", shall be payable to the Association.

(b) Condemnation Award. The Condemnation Award shall be first applied by the Association to the rebuilding and replacement of those improvements within the Recreational Easements, if any, damaged or taken by the condemning public authority, unless seventy-five percent (75%) of the Owners agree otherwise. Any surplus of the Condemnation Award or other portion thereof not used for rebuilding and replacement of such improvements shall be used by the Association for the future maintenance of the Recreational Easements. In the event seventy-five percent (75%) of the Owners agree to distribute the proceeds of any partial taking, such proceeds shall be apportioned among the Owners in the same percentages as provided for the payment of annual Assessments and payment of said apportioned amounts shall be made payable jointly to each Owner and the holder of a First Security Interest, if any, of such Owner's Parcel.

ARTICLE XII. RESERVATION OF EXPANSION AND DEVELOPMENT RIGHTS

12.1 Interpretation. Recording of Amendments to the Declaration in the office of the Clerk and Recorder of Larimer County, Colorado, shall automatically (i) vest in each existing Parcel Owner the reallocated Allocated Interest appurtenant to his or her Parcel and (ii) vest in each holder of an existing perfected Security Interest the reallocated Allocated Interest appurtenant to the encumbered Parcel. Upon the recording of an Amendment to the Declaration, the definitions in this Declaration shall automatically be extended to encompass and to refer to the property as expanded. The Development Property, or any part thereof, shall be added to and become a part of the Property

for all purposes. Reference to this Declaration in any instrument shall be deemed to include all Amendments to the Declaration without specific reference thereto.

12.2 Construction Easement. The Declarant expressly reserves the right to perform construction work, store materials on the Common Elements, and the future right to control such work and the right of access thereto until its completion. All work may be performed by the Declarant without the consent or approval of any Parcel Owner or holder of a Security Interest. The Declarant has such an easement through the Common Elements as may be reasonably necessary for the purpose of discharging the Declarant's obligations and exercising the Declarant's reserved rights in this Declaration. The Declarant's reserved construction easement includes the right to grant easements to public utility companies and to convey improvements within those easements. If the Declarant grants any such easements, the Land Survey Plat will be amended to include reference to the recorded easement.

12.3 Transfer of Expansion and Development Rights. Any expansion, development or withdrawal right created or reserved under this Article for the benefit of the Declarant may be transferred to any person by an instrument describing the rights transferred and recorded in Larimer County, Colorado. Such instrument shall be executed by the transferor Declarant and the transferee.

ARTICLE XIII. GENERAL PROVISIONS

13.1 Enforcement. The Association or the Parcel Owner or Owners of any of the Parcels may enforce the restrictions, conditions, covenants and reservations imposed by the provisions of this Declaration or any Bylaws or Rules or Regulations promulgated by the Association which are consistent with this Declaration by proceedings at law or in equity against any Person or against the Association violating or attempting to violate any of the said Bylaws or Rules and Regulations or restrictions and limitations of this Declaration, either to recover damages for such violation, including reasonable attorneys' fees incurred in enforcing this Declaration, or to restrain such violation or attempted violation or to modify or remove structures fully or partially completed in violation hereof, or both. Failure of the Association or of any Parcel Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The Association shall not be liable to reimburse any Parcel Owner for attorneys' fees or costs incurred in any suit brought by a Parcel Owner to enforce or attempt to enforce this Declaration.

13.2 Term of Declaration. This Declaration shall run with the land, shall be binding upon all Persons owning Parcels and any Persons hereafter acquiring said Parcels, and shall be in effect in perpetuity unless amended or terminated as provided in the Act.

13.3 Amendment of Declaration. Except as otherwise provided in the Act and this Declaration, and subject to provisions elsewhere contained in this Declaration requiring the consent of the Declarant or others, any provision, covenant, condition, restriction or equitable servitude contained in this Declaration may be amended or repealed at any time and from time to time upon approval of the amendment or repeal by Members of the Association holding at least sixty-seven percent (67%) of the voting power of the Association present in person or by proxy at a duly constituted meeting of the Members. The approval of any such amendment or repeal shall be

evidenced by the certification by the Executive Board of the Association of the vote of Members. The amendment or repeal shall be effective upon the recordation in the office of the Clerk and Recorder of Larimer County, Colorado, of a certificate, executed by the President or a Vice President and the Secretary or an Assistant Secretary of the Association setting forth the amendment or repeal in full and certifying that the amendment or repeal has been approved by the Members and certified by the Executive Board as set forth above.

13.4 Special Rights of First Security Interests. Any First Security Interest of a mortgage encumbering any Parcel, upon filing a written request therefor with the Association, shall be entitled to (a) written notice from the Association of any default by the mortgagor of such Parcel in the performance of the mortgagor's obligations under this Declaration, the Articles of Incorporation, the Bylaws or the Rules and Regulations, which default is not cured within sixty (60) days after the Association learns of such default; (b) examine the books and records of the Association during normal business hours; (c) receive a copy of financial statements of the Association, including any annual audited financial statement; (d) receive written notice of all meetings of the Executive Board or Members of the Association; (e) receive written notice of abandonment or termination of the Association; (f) receive thirty (30) days' written notice prior to the effective date of any proposed, material amendment to this Declaration, the Articles of Incorporation, or the Bylaws; and (g) receive thirty (30) days' written notice prior to the effective date of termination of any agreement for professional management of the Association or the Common Elements following a decision of the Association to assume self-management of the Common Elements.

13.5 First Security Interest Right to Pay Taxes, Rental and Insurance Premiums Any one (1) or more First Security Interests, jointly or singly, shall be entitled to pay (a) any taxes or other charges which are in default and which may or have become a lien against any of the Common Elements; or (b) any overdue premiums on hazard insurance policies or secure new hazard insurance coverage for the Common Elements or Parcels, and the First Security Interests making such payments shall be entitled to immediate reimbursement therefor from the Association.

13.6 Association Right to Security Interest Information. Each Parcel Owner hereby authorizes any First Security Interest holding a Security Interest on such Owner's Parcel to furnish information to the Association concerning the status of such First Security Interest and the loan which it secures.

13.7 Captions. The captions contained in the Documents are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of the Documents or the intent of any provision thereof.

13.8 Gender. The use of the masculine gender refers to the feminine gender, and vice versa, and the use of the singular includes the plural, and vice versa, whenever the context of the Documents so require.

13.9 Waiver. No provision contained in the Documents is abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

13.10 Invalidity and Severability. The invalidity of any provision of the Documents does not impair or affect in any manner the validity, enforceability or effect of the remainder, and if a provision is invalid, all of the other provisions of the Documents shall continue in full force and effect.

13.11 Conflict. The Documents are intended to comply with the requirements of the Act. If there is any conflict between the Documents and the provisions of the Act, the provisions of the Act shall control. In the event of any conflict between this Declaration and any other document, this Declaration shall control.

IN WITNESS WHEREOF, the Declarant has caused this Declaration to be executed as of the day and year first above written.
