ALLIGATORS

Alligators are natives to Daufuskie Island and are usually shy creatures that are not aggressive. But, when aroused, threatened, or have young, they can be extremely dangerous and can outrun a grown man. The only sensible policy is to steer clear of these animals and never feed them (it is against the law), since this causes them to lose their fear of humans. Because alligators live in lagoons, young children should always be supervised, especially when fishing.

BEACH CLUB

Haig Point's beach stretches the length of the Outer Banks along Calibogue Sound where you can enjoy breathtaking views of the Atlantic Ocean while sunbathing in our sub-tropical climate. Swimming in the tidal currents of Calibogue Sound can be treacherous at times. We recommend that you swim at the Haig Point Beach Club pool. Please remember there are no lifeguards on duty, so swimming is at your own risk. Dressing rooms with lockers are available and decks surround the spacious pool. The Beach Club also features a snack bar with an attendant during summer months. There is a parking area for golf carts and bicycles as well as a boardwalk to the beach.

BICYCLE RENTALS

Explore our tree-shaded lanes by bicycle. All ages can rent bicycles through the Palmetto Bike Barn located on Hilton Head Island. Bicycles will be delivered to your Haig Point accommodations. Please call (843) 686-6068 to make reservations.

BOATING EXCURSIONS

Private boating excursions including private sunset cruises, dolphin excursions and Savannah trips are available for owners and their guests. Departures are subject to weather conditions. If threatening weather develops, departures may be postponed or cancelled. Please call Marine Transportation at (843) 341-8110 for reservations or for more information.

EMERGENCY SERVICES - FOR FIRE OR SERIOUS MEDICAL TRAUMA - DIAL 911

Haig Point features a fire department for the protection of the community. It is our policy that the firemen and security staff are certified in CPR and primary first aid.

In the case of minor cuts and bruises and such there are 17 First Aid kits in various locations that can be used to supplement home care kits. These locations are: The Clubhouse, POA Building, Beach Club and the Front Desk. AED's are located on the HP I and II, the Pelican and Osprey. AED's are also located at the Clubhouse and Fitness Center. For emergencies on the golf course, four telephones are located on Haig #4, Haig #8, Haig #13 and Osprey #6

In the event of an incident requiring professional attention, but not necessarily to such a nature that a trip to the hospital is indicated, the individual can go to the Daufuskie Fire and Rescue Headquarters, 785-8358 (400 Haig Point Road - mid island) for attention from our EMS personnel.

On Daufuskie Island, the organizational structure of our EMS personnel is one paramedic and EMT on duty 24/7. On emergency medical calls, the EMS professionals are accompanied by two-first responder-trained firefighters.

Should any need for emergency medical care arrive, please call 911 immediately. The details of your call are radioed to the EMS and fire personnel on duty here. Response is quick and we are very proud of our record of arriving on the scene within minutes. The EMS personnel utilize a state-of-the-art equipped ambulance so treatment can begin immediately. If it is determined that conditions may be life threatening, a Life-Star helicopter is alerted and can be here from Memorial Hospital in Savannah in about 8 minutes.
